WORK EXPERIENCE

VaynerMedia

Media Resident

Culver City, CA

Jan. 2025 – Present

- Tracked and reported on key asset and campaign performance metrics to clients
- Built out paid advertising campaigns utilizing TikTok, Meta. and Google Ads Manager
- Developed a firsthand experience with platform focuses and best practices by creating and experimenting content on a fresh account, reaching 900 views on highest performing assets in a 30 day period

Carahsoft

Digital Media Intern

Reston, VA (Remote)

May 2023 – Aug. 2023

- Coordinated clear communication between cross functional teams ensuring key stakeholders have visibility on 100+ vendors updates and news
- Managed internal spreadsheets by updating categories and product descriptions which allowed for the website to be properly updated
- Collaborated with team members to review and improve slide decks which are aligned with current messaging and branding guidelines
- Learned to copywrite professional emails in a business setting while utilizing brand messaging
- Collected data from different teams within the company to help team members acquire required information to update company website

Emory Arts & Social Justice

Marketing and Administrative Assistant

Atlanta, GA

Sep. 2022 – Feb. 2023

- Strengthened Instagram engagement (likes, shares) by 29-fold and increased followers on Instagram by 21.2%
- Created biweekly Instagram posts that increased brand awareness and engagement, leading to a noticeable rise in audience interaction.
- Managed social media logistics such as organizing a social content calendar and designing promotional materials
- Observed, documented, and publicized activities of six programs, enhancing program visibility and community engagement
- Analyzed KPI's in order to assess performance and direction of accounts

LEADERSHIP & COMMUNITY INVOLVEMENT

Emory Esports

Internal VP, Team Coordinator, Outreach Officer

Atlanta, GA

Nov. 2020 – May 2024

- Planned monthly social events for community building and engagement
- Represented Emory University as a team liaison to other schools and scheduled 20+ games in the semester that determined participating players for seasonal tournaments
- Maintained team cohesion by resolving conflicts and acting as a mediator for varsity players
